Practice Emphasis

- Tax Consulting and Preparation
- Business Succession, Sale & Acquisition Consulting
- Business Valuations
- Petroleum Industry Services

Mike has over thirty years of public accounting practice including over twenty years owning and managing his own practice in St. Cloud, MN. Mike specializes in helping businesses analyze acquisition and sale opportunities, including business valuation, income tax planning, business consulting, accounting, and analysis. Mike's long experience with numerous small business clients and former ownership of his own practice helps him to relate to and understand the challenges faced by today's business owners. His experience helps these clients relate technical information into everyday solutions.

Professional Affiliations and Involvement

Mike graduated from Rochester Community and Technical College in 1974 and received his CPA designation in 1985. Mike received the CVA (Certified Valuation Analyst) designation in 2001 and received Accreditation in Business Valuation (ABV) in 2007. He is a member of the American Institute of Certified Public Accountants (AICPA), Minnesota Society of Public Accountants (MNCPA), Institute of Business Appraisers, and National Association of Certified Valuation Analysts. Mike currently serves as a Board member of the Catholic Credit Union in St. Cloud, MN and treasurer of the Terrace Mill Foundation Board. He has served a number of organizations including Trustee of St. Michael's Church in St. Cloud and a board member of Sts. Peter, Paul and Michael School System in St. Cloud. Mike is also a Benedictine Oblate of St. John's Abbey in Collegeville, MN.
