

## Take the Business Resiliency Quiz?

If you answer "NO" to any question, you may need a Resiliency Check-Up

1. Do you know which expenses you would adjust if you had to reduce expenses by 10%?
2. Do you have an updated financial plan/budget for 2021 with multiple scenarios?
3. Do you have enough cash to operate for 30 days with your current revenue stream?
4. Do you know your internal and external risk pain points?
